sal, alluded to the common custom, at dinner 1829 to 1839. and other public occasions, of calling out the press to speak, says: "Accustomed only to ex- the right sort of a man to fill it. press himself at the points of his fingers, an editor is called on to speak at public meetings, as if it were the same thing to a pump to give out its water from nose or handle."

THE MANZANITO.-The manzanito tree is now in bloom. The beautiful white balls of the U.S. Army intended to present the flower hang in clusters like festoons of the like, pleasing with order, and mingled in harmony with the surrounding green. We do think the manzanito (little apple,) when in bloom, the most beautiful of all the evergreen grows over fifteen feet in height, or twelve inches in circumference. It has rich, smooth, auburn colored bark; the leaves are a deep auburn colored bark; the leaves are a deep green, very abundant, and of the size of the The Natchez Free Trader says: "From with the United States, England, and all other from the reports that Walker was carrying on apple; the fruit also resembles a little apple among the many letters that Gen. Quitman Christian powers.

(sweet,) and is very useful in caring many dishard point with all his force and lawed a copy of the following one from Gen.

Many of the lower limbs of different mainzanitos are bent down until they touch the ground, where the limb has invariably taken root and formed a new tree, as in the case of the ban-bear "transplanting, and certainly could be raised from the seed. The manzanito is the most common of all evergreen shrubs in the most common of all evergreen shrubs in the mountains, and is more beautiful and certainly provided at some distant point with all his force and lowed a copy of the following one from Gen. Scorr, his old Commander, who above all lowed a copy of the following one from Gen. TO MY LATE HOME IN TENNESSEE. Dear rural Cottage for away :-Amid thy shades 'tis sweet to dwell t My feeble pen would fain portray, The charms that weave thy mystic spell' The dappied shades thy pristing woodlands fling. The mellow cadence of thy puring rill,

Sweet, Mithsome notes that through thy green woo Will, artless hearts, with holy transport fill. The seber cattle browsing through the lawn The soothing tinkle of the lead-sheep's bell, With gleeful children, which, in early moru, Artse with mirth-exciting dreams to seil. These rustic beauties mark thy outward grace;

And these alone might wreath a magic tie; Yet I, sweet sput, thy loftier glories trace, Whose blissful spell can never, Lever die, For hely promptings round thy heart-stone twine, An amaranthine wreath of Christian love, Where clustered virtu a ballowed aweets combine, And waft rich odors toward "realms above,"

And Egiantine, my own beloved retreat :-"Thy image dear, is p ctured on my heart;" Thy soothing quiet, and seclusion sweet, So meet a lasting imperes to impart. But Western Climes where beauties amile! Adleu, adleu, I must away :-My native land claims me dushile,

And chides, mryhap, my lengthened stray. Then "Rural in Policity " My weatern home, a long farewell ! I love thy awart rusticity, And thy ecclusion, Oh! how well ! But " Sunny-side," with siren tongue, invites me back no more to ream ! And I, dear jong tried friends among. Am nestled in another home,

Still cherished fondness e'er will hever,

TERPSYCHORE. A DISTINCTION .- A writer in the New York by those who had been regarded as its leaders, Mirror states the difference between Unitarrans and Universalists thus:
